

# Field Trip 2014: Ballarat Area

AIG and IAH invite you to attend this year's joint field trip to be held on Friday 28th and Saturday 29th November 2014.

The trip will examine aspects of the hydrogeology, geology and mine and municipal water management in the Ballarat area. There will be a combination of all four topics on each day and an early morning tour on Saturday morning for early birds and those who stay overnight in Ballarat.

The guide on the tour will be Mr Phillip Kinghorn (Independent Geological Contractor).

## Proposed Itinerary

### Friday 28th November

9:30	Meet bus at Ballarat Railway Station (for those who come by train)
9:50	Meet bus at Warrenheip (for those who come by car)

including Gong Reservoir visit

## Registration

### AIG/IAH member

Single Day	Both Days
\$44.00	\$66.00

### Non-member

Single Day	Both Days
\$55.00	\$77.00

Registration fees include GST.

**Registrations will close on  
Thursday 20th November 2014.**

**Please register at [bookings.aig.org.au](http://bookings.aig.org.au)**

Please note that registrants will be responsible for arranging their own travel to and from Ballarat/Warrenheip and all meals and any accommodation during the field trip. In addition, due to insurance limitations at the mine sites all participants need to travel in the bus and to provide their own PPE - safety boots, safety glasses and safety helmet.

For enquiries please contact [pdlarkin@bigpond.net.au](mailto:pdlarkin@bigpond.net.au)

The meeting place for those who travel by car is the car park behind the BP service station at Warrenheip. It is at the intersection of the Western Freeway and Old Melbourne Road (to the south) and Brewery Tap Road (to the north). The BP service station is on the south side of the intersection and access to the car park is off Old Melbourne Road. Cars can park all day for free.
